Dear Main Street Area Resident,

The Village of Irvington is pleased to announce the availability of Irvington Residential Parking Permits. These permits are available to residents within the Main Street neighborhood and generally allow for on-street parking in excess of the posted hourly limits.

The Main Street neighborhood is bounded on the easterly side by North and South Dearman Street, on the northerly side by Matthiessen Park, on the westerly side by North and South Astor Street and the Metro-North Commuter Railroad tracks, and on the southerly side by Station Road.

Vehicles owned by Main Street area residents with a Residential Parking Permit may park in the Main Street neighborhood, with the exception of North and South Astor Street, North Dearman Street, and Main Street itself, in excess of the posted two hour, four hour, or six hour limit between the hours of 7:00 a.m. to 7:00 p.m. on weekdays.

Permits will be issued depending on the number of vehicles in your household and the number of off-street parking spaces available on your property. No more than 2 Residential Parking Permits may be issued to each household. To determine how many permits you may be entitled to, please review the following table:

Number of vehicles in household	Number of off-street parking spaces	Permits
1	0	1
1	1	0
2	0	2
2	1	1
2	2	0
3	0	2
3	1	2
3	2	1
3	3	0

All permits are effective on July 1, 2005 and will expire on January 31, 2006.

If you believe you are eligible for a Residential Parking Permit, please enclose a valid proof of residency such as a recent utility bill that has your name and local address on it.

The permit tag will contain the license plate number of the vehicle to which it is assigned. You must enclose a copy of your vehicle's registration. In addition, each permit can contain a total of two license plates numbers on it. The permit tag may be freely transferred between each of the two vehicles listed on the tag. If you wish to take advantage of this option, you must enclose a copy of both vehicles' registrations.
